“HOLOWESKO PARTNERS and GARMIN’s U23 TEAM CONFIRM FOR THE 2010 TOUR OF THE BAHAMAS”

Mr. Jeff Major, from JAR Cycling is pleased to announce that Holowesko Partners has confirmed their Presenting Sponsorship of the 6th edition of the now famous Tour of the Bahamas in Nassau in January of 2010.

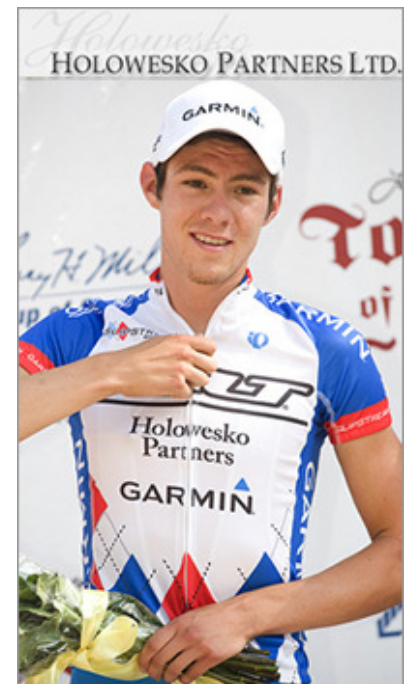

Holowesko Partners also confirms the participation of their GARMIN U-23 Professional Development Team.

“We are very pleased to support such a great event, and to provide our riders with a very competitive environment in January in the sun”, said Mark Holowesko.

“It is people like Mr. Holowesko, who contribute so much to our sport, that make it possible for an international caliber event to take place in our beautiful island”, said the promoter, Jeff Major.

“It is a great event to test our fitness as we prepare to race in the world stage” said Tyler Farrar, Slipstream’s Professional Rider.

“There is no better place to race and hang around in January with world class professionals”, said Pablo Santa Cruz, FloridaVelo’s Team Captain.

About the Tour of the Bahamas:

The Tour of the Bahamas is an international caliber cycling event held for the 6th year in Nassau, Bahamas. The Omnium style event consists of an Individual Time Trial and Circuit Race on Saturday, and a Road Race on Sunday. JAR Cycling, the premier cycling club and promoter of cycling in the Bahamas, strives to provide a world class event through professional expertise and attention to details. Race operations are managed with state-of-the-art AMB ChipX timing and scoring system as well as a professional video system.
